The Honorable William J. Casey
 Director
 Central Intelligence Agency
 Washington, D.C. 20505

Dear Mr. Casey:

We want to bring to your attention our appreciation for the tremendous job that [redacted] his staff performed in getting the Intelligence Identities Protection Act of 1982 passed in the Senate this month. [redacted] firm grasp of the legal issues relating to this bill were of great assistance to us, to Senator Chafee and to Senator Jackson as they argued for the Chafee/Jackson language for Subsection 601(c). He and his capable staff made themselves constantly available during the long and extensive floor debate, and were able to provide detailed support and assistance when Senator Chafee needed it. [redacted] is an asset and a credit to the CIA. You are lucky to have him out there.
